#### About Me

Hi! My name is Martha Pursley. I am a dual language Kindergarten teacher. I am married and have four children and two dogs. I enjoy a cup of Starbucks coffee or hot chocolate in the Winter, and I love to go to the movies. I also like to buy school materials or reward treats at Walmart or Target. I have a bachelors and Master's degree in elementary education and two endorsements: early childhood and bilingual education. I have taught, PACE bilingual, ELD, mainstream education and two-way dual language. I enjoy teaching the curriculum in Spanish and I look forward to an amazing 2022-2023 year.
