

My name is Kristina Rustici and I am very grateful to be named Bloom Elementary School's teacher of the Year for 2019-2020. This is my 27th year teaching, all in the Tucson Unified School District teaching grades K-2. I attended the University of Arizona where I earned a bachelors in Education and hold a certificate in Early Childhood Education. My first 8 years I taught at Wright Elementary and then moved to Bloom and have been here ever since. My heart is full remembering the wonderful people I have had the honor of working with and learning from. The families and students I have had the pleasure of getting to know and teach have been the bright spot of my life. I have been fortunate to have taught entire families of children and the children of former students. I love bringing my passion of learning to the lives of my students. There is much more to do and many more to teach and I am thankful everyday that I can be part of a fabulous team at Bloom Elementary.
