

# MEET THE TEACHER

Kaitlyn Williamson

## About Me

Hello, and welcome to 3rd grade! I just moved here from Los Angeles, and I am very excited to be part of the Bloom family this year.

I have been teaching since 2016 in mostly 3rd or 4th grade. I am a double graduate of Pepperdine University where I earned my Bachelor of Arts in Intercultural Communications, Multiple Subject Teaching Credential, and a Masters of Arts in Teaching. I have a passion for embedding social emotional learning and cultural awareness into student learning; and believe it is vital for a positive and thriving learning environment.

A little more personally, I am married to my husband Brendin, have an adorable nephew and niece, and first got into teaching after serving as a founding member of a non-profit in Guatemala back in 2013. Some of my travels include living in a van for two weeks in New Zealand, backpacking the Inca Trail to Machu Picchu, and getting scuba certified in Thailand.

I'm excited for a great year together!
