~ Your child will need a backpack that has enough space to carry 2 or three sheets of office papers and homework. Please do not send oversized backpacks or backpacks with wheels. We are limited with space. Thank you for understanding. ~ If your child is going to bring lunch to school, they will need a lunchbox. We do not have refrigerators or microwaves available. ~ Items to keep at home for completing homework activities; crayons, pencils, scissors, and extra glue sticks. ~ Items will be collected and redistributed among the students along with items provided by the school & teacher. If your child has special personal items such as fake or real jewelry, toys or stuffed animals, please leave these at home. Children tend to lose them in class or outside and get upset if they cannot find them. Thank you for understanding.
