

Classroom Wish List

Mrs. Williamson

Students will be provided with the essentials for learning: composition notebooks, spiral notebooks, folders, scissors, glue, colored pencils, markers.

They do not need to bring their own and will be encouraged to keep them at home or in their backpacks.

Aside from the water bottle, all of the additional supplies below will be shared in our class community.

-Reusable water bottle

-Kleenex

-Clorox wipes

-Crayons

-Ticonderoga pencils

-Wooden rulers with cm/in

BOOKS! Our classroom library is in need of some more books! If you have any you would like to donate (particularly chapter books and non-fiction), we would be so grateful! Or if you feel inclined, you may purchase one (or some) of the books off of our wishlist [here](#).

There are a few additional items on there as well for families who asked during the Meet & Greet what they could buy for the classroom. Please remember, this is a wishlist and nothing is required of you except your partnership as we work together to support your child together this year. Thank you so much!
